RE: Docket # 98P-0151/CP1

To Whom It May Concern:

I am writing to express my vigorous support for Docket # 98P-0151/CP1. We must completely cut out the market for downed animals so that livestock handlers will take better measures to insure the health and safety of their animals. This would be more humane for the livestock and safer for America's consumer.

Yours sincerely,

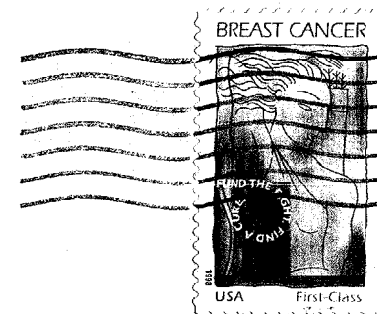

Timothy Fisher
